Position Announcement for
Field Coordinator, Trails Program

The Connecticut Forest & Park Association (CFPA) is a member-based, nonprofit conservation organization established in Connecticut in 1895. CFPA’s mission is to protect forests, parks, walking trails, and open spaces for future generations by connecting people to the land.

Position Summary

The Field Coordinator is responsible for implementing initiatives of CFPA’s Trails Program. This is a 35-hour/wk position with benefits and a negotiable weekly schedule.

Scope and Impact

The Field Coordinator will primarily provide technical and field support to CFPA’s efforts to manage and maintain the 825-mile Blue-Blazed Hiking Trail System. He/she will work closely with the CFPA Trails Stewardship Director, staff, Trails Committee, volunteer Trail Managers, and trail volunteers to facilitate the management and maintenance of the Blue-Blazed Hiking Trails. We anticipate that the person working in this role will have a passion for building and stewarding sustainable trails and will significantly enhance CFPA’s capacity to do so.

Principal Responsibilities

- Lead volunteer work parties, trail trainings, and workshops.
- Manage CFPA’s chainsaw safety program.
- Coordinate summer trail crew program.
- Scout new trail connections and major trail relocations.
- Oversee CFPA’s volunteer Trail Monitor program and annual assessment of trail conditions.
- Assist with trail infrastructure inventory and database development.
- Assist with mapping, field project review, project prioritization, and project management.
- Assist in development and coordination of seasonal trail crew.
- Work with partners, volunteers, and landowners to improve trail quality and experience.
- Work with the Trail Stewardship Director to identify and prioritize at-risk trails and assist in the development and implementation of strategies to address these priorities.
- Attend four Trails Committee meetings per year.
- Assist with implementation of CFPA’s Strategic Plan.
- Other duties as assigned by the Trails Stewardship Director.

Qualifications

The applicant will have a minimum of 3 years experience in trail construction, trail maintenance, trail design, and demonstrated leadership in developing and maintaining hiking trails. Physical field work and travel to hiking trails throughout the State with personal vehicle is required.
