1. Participants receive 3 points for finishing, plus an additional 1 point for winning their age group
 - Age Groups include: 0-9 / 10-18 / 19-29 / 30-39 / 40-49 / 50-59 / 60-69 / 70-79 / 80+
2. Overall winners receive 2 additional points. Therefore, someone who takes part and wins their age group would receive 4 points; the overall race winner would receive 6 points all other competitors receive 3 points
3. At the end of the series we will publish overall results and age group winners (M/F) for each age group as defined above
4. At the conclusion of the series, an overall tie will be resolved by:
 - distance completed and then
 - average pace calculated from cumulative distance / time
