

Nature's Alphabet

Let's Look for Insects!

A walk for Families

Saturday, July 2, 2022

1:00-2:30 PM

*The James L. Goodwin Forest and Conservation Education Center
23 Potter Road Hampton, CT 06247*

Insects are friends of the environment! Join Goodwin Naturalist Eoin Horning-Kane and Master Naturalist Lynn Kochiss for a nature walk to find insects at Goodwin Forest. We will read stories, color insect alphabet pages, and explore the Children's Discovery Trail to see what insects we can find!

All children must be accompanied by an adult for this program. No pets please.

Registration is required. Register at <https://www.ctwoodlands.org/CFPA-events>
