

**Public Lands Belong to You.**  
***VOTE YES ON QUESTION #2***  
**TO PROTECT YOUR LAND & YOUR VOICE**

Currently, the CT General Assembly can sell state parks, forests & other valuable public lands with no public input. Voting YES would:

- Require public hearings before your state public lands could be sold, swapped or given away.
- Improve accountability & transparency of public land transactions.
- Make it harder for the General Assembly to sell, swap or give away state parks, forests & farmlands.

**It's your land. You should decide how it's used.**

**PRESERVE YOUR PUBLIC LANDS**  
**VOTE YES ON TUESDAY, NOVEMBER 6<sup>TH</sup>**
