

Trail Maintenance Volunteer

This vehicle is here temporarily while a CFPA Trail Volunteer performs routine trail maintenance such as painting trail blazes, removing deadfall, installing or clearing drainage, removing vegetation overgrowth or simply monitoring and one of Connecticut's famous Blue-Blazed Hiking Trail System.

For more information about the statewide 825-mile network of Blue-Blazed Hiking Trails, contact CFPA:
Connecticut Forest & Park Association 16 Meriden Rd, Rockfall, CT 06481
